# Bike lanes for Freeport Boulevard?

As the City plans to resurface Freeport Boulevard as part of upcoming maintenance, the addition of bike lanes is being considered between Sutterville Road and 21st Street. Two potential roadway options as well as several ideas for improving the intersection of Freeport Boulevard and 21st Street for bicyclists are being considered.

Find out about the proposed options

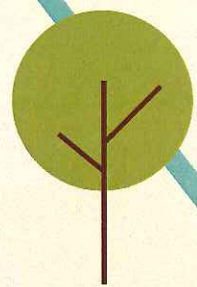

Open House  
Thursday, Dec. 1, 5:30 p.m. – 7 p.m.,  
with short presentation at 5:45 p.m.,  
followed by an open house  
McClatchy High School Cafeteria  
3066 Freeport Boulevard
