

To Whom It May Concern;

Beginning this week, 24th street will be closed during daytime working hours while utility work is performed in conjunction with site improvements on the two empty parcels located on 24th street between 10th Ave and Coleman way. The parcels will be worked on one at a time to lessen the impact on the neighborhood and driving routes. The anticipated duration of the street closures is approximately two weeks per parcel. Detours will be available to route traffic around the block. We thank you for your patience while this work is completed. Should you have any questions or concerns please feel free to call Dan Murphey direct at 916-439-2334. Thank You

First Closure

Second Closure
