Class Schedule

Tuesday 7/14-Huggable Toy for Restful Nights

Description: Create a soft, comforting pillow-toy, perfect for children to snuggle with at night. Using repurposed fabrics and secondhand materials, we'll craft a cuddly companion that carries both nostalgia and sustainability.

Materials to Bring: Sewing Kit, Old fabric scraps, buttons, ribbons, and any soft textiles you have at home.

Tuesday 7/21- Community QR Code Patchwork

Description: Join us in creating a collective piece of art—a 12" x 12" patch (30x30 cm)—each square forming part of a larger QR code, sending a hopeful message to future generations. Bring black and white fabrics in various shades, and we'll assemble them into a unified design.

Materials to Bring: Sewing kit, Black and white fabric.

Tuesday 7/28- Collage Exploration: Geometric Journeys

Description: Discover the beauty of textures as we cut and assemble geometric shapes from secondhand magazines. We'll explore how composition and space come alive through simple cuts and creative arrangement.

Materials to Bring: Old magazines, scissors, glue, and a surface to work on.

Tuesday 8/4 Denim Gift Basket Set

Description: Upcycle old jeans into a festive, reusable gift basket set. Perfect for holiday packaging, we'll transform denim into versatile baskets that tell a story of reuse.

Materials to Bring: Basic sewing kit, old jeans (washed and clean),

Tuesday Aug 3-Textile Self-Portrait

Description: Create a wearable textile self-portrait using monochromatic fabrics. Explore how color, shape, and texture reflect your identity, and finish with a piece of art that's both expressive and wearable.

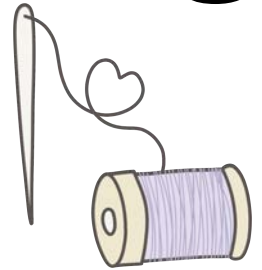

Materials to Bring: Sewing materials, Monochrome fabrics (no patterns), thread, , and creative ideas
